BUSSELTON PAVILION

welcome to the pav, where our love for celebrating the diverse and eclectic wine scene is reflected in our carefully hand-picked wines sourced from local friends and special world-class regions, spanning both interstate and beyond.

our beers represent a continually changing selection of our team's favourites, mixed with some fun and intriguing sips to keep things interesting.

we admit we love a good "no and low", providing plenty of options for those seeking a satisfying kick without the punch. of course, let's not overlook the cocktail list - a fine and dandy selection, if you ask us!

we hope you're thirsty - cheers big ears!
